

The Official

Guide to Certificate Recognition

The image you see above is the official logo used on all 3.5-compliant LSJ materials. Certificates with this logo are valid for 3.5 play. Even if it is printed in black-and-white, it is still legal for tournament play (though color printing is preferred).

The image below this paragraph is the old, black-and-white-only logo we used in 3.0 play. Certs with this logo **MUST** be converted ASAP. E-mail LSJCertConversion@kellscaer.net for details.
